A REFLECTION

FROM FR. JOHN

The Synod on Synodality is a two-year process of listening and dialogue which opened in October of last year. The Church universal has invited all people to participate in discussions to share their experiences, participate in Church renewal, and reflect on the mission of Christ in our world.

The process will end in 2023 when a Synod of Bishops in Rome reviews the worldwide responses of the faithful on the subject of Synodality (or "journeying together").

Pope Francis invites the entire Church to reflect on the life and mission of the Church: "It is precisely this path of Synodality which God expects of the Church of the third millennium." This process will occur at a local level around the world! Every voice has meaning in the Synod, and each person has the right to participate.

The United States Conference of Catholic Bishops stated, "This journey, which follows in the wake of the Church's 'renewal' proposed by the Second Vatican Council, is both a gift and a task: by journeying together and reflecting together on the journey that has been made, the Church will be able to learn through Her experience which processes

can help Her to live communion, to achieve participation, to open Herself to mission."

For me, the Synod on Synodality confirms the signs of the Roman Catholic Church, that She is "one, holy, Catholic, and apostolic." Confirming the unity of the Church is an important step in moving the Church forward. Divisive rhetoric is prevalent in our culture and this Synod is our opportunity to show our Catholicity, our ability to be united under the banner of Jesus Christ.

The churches of Sullivan and Greene counties will meet for the listening session on **Thursday, February 3 at 6:30 PM at St. Peter Catholic Church, Linton** in the church hall. Priests of the Diocese will not attend the listening sessions so that people can share their experiences of Church in openness and truthfulness.

From the listening session from each area of the diocese, a committee of lay persons guided by the diocese will gather the responses and develop a synthesis that will be sent to the U.S. Conference of Bishops. If you cannot attend the listening session, the diocese is preparing an online survey for you to complete so that you may participate. If you want to hear more, go the Diocese of Evansville website (www.evdio.org) and click on "Synod."
