A REFLECTION

FROM FR. SURESH

Dear Brothers & Sisters,

Many famous *People Who Were Slow Starters*:

Winston Churchill seemed so dull as a young man that his father thought he might be incapable of earning a living in England.

Charles Darwin did so poorly in school that his father once told him, "You will be a disgrace to yourself and all your family."

G.K. Chesterton, the English writer, could not read until he was eight. One of his teachers told him, "If we could open your head, we should not find any brain but only a lump of white fat."

Thomas Edison's first teacher described him as "addled" and his father almost convinced him he was a "dunce."

Albert Einstein's parents feared their child was dull, and he performed so badly in high school courses except mathematics that a teacher asked him to drop out.

Prayer perseverance was the secret of their success.

Today's readings are mainly about prayer – **perseverance** in prayer, **constancy** in prayer and **trust** in God as we pray. Never give up on prayer is my advice for all of you.

Let us not give up on trying our best in rebuilding our parish community. Let us try to implement every idea that pops up in our mind to rebuild this parish community. Trying is our duty and building is God duty.

I thank all those who participated and worked hard to make the picnic successful. The picnic turned out really good. Those who couldn't participate in it don't have to worry about it because you will have many more opportunities to participate and contribute for the growth of both parishes.

Yours In Jesus Christ,

Fr. Suresh B. Bakka

When Jesus Returns

Will He Find Faith
Upon The Earth?

If He Came Right
Now,
How Would He
Find You?

Faithful
Or Faithless.
