A REFLECTION

FROM FR. SURESH

Dear Brothers & Sisters in Jesus Christ,

Greetings to you all.

In this week's gospel Our Lord Jesus states, "That the dead will rise even Moses made known in the passage about the bush, when he called out Lord, the God of Abraham, the God of Isaac, and the God of Jacob; and he is not God of the dead, but of the living, for to him all are alive." Jesus speaks of God as the God of the living and declares that heavenly life with God in glory is totally different from earthly life.

The reason we come together each week to pray for the needs of the community, share the Word and break the Bread is that we have Faith and Hope in a living God Who loves us and Whom we love. If God is the God of the living, should not worship of this God also be alive?

Worship services and relation to God must be life-giving rather than life-draining experiences. Unfortunately, Holy Mass and other worship services are often described as "dead" or "boring." The proclamation that our God is the God of the living has to mean something positive to us. It should affect our lives today and every day, especially during our Sunday worship. In response to Him, our participation in prayers and songs during the Holy Mass should be active and our behavior in Church reverent, though not gloomy.

I request you all to make every effort possible to make our weekend Masses lively and effective. Volunteers are always welcome to be lectors, cantors, ushers and etc. Your participation on different committees helps the parish to plan out Holy Eucharist lively and meaningful way.

The month of November is dedicated to the dead. So, I would like to visit Tombs of your beloved ones on a special request. So, those of you who wished to have a blessing of the Tombs of your beloved ones call the office and get the appointment scheduled.

I whole heartedly thank all the wonderful people who worked hard to make fish fry a successful one.

God Bless You All.

Yours in Christ,

Fr. Suresh B. Bakka
